Dear Sir:

The filing receipt for this application has been received, but is in error. A corrected filing receipt is therefore requested.

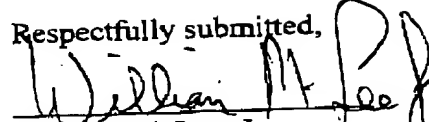

As indicated in the request mailed to the Patent and Trademark Office on November 8, 2001, the filing date for this application is October 11, 2001, not October 12, 2001. The error is a clear error of the Patent and Trademark Office.

It is therefore requested that a corrected filing receipt be issued.

REQUEST FOR CORRECTED FILING DATE

Honorable Director of Patents
and Trademarks
Washington, D.C. 20231

Dear Sir:

The postcard receipt for the firm of the undersigned has been received bearing an improper filing date for the application. Correction is therefore requested.

This application was filed by express mail on October 11, 2001. The Patent and Trademark Office already has the express mail certificate that was submitted with the application, bearing that information. Appended hereto is a copy of the express mail receipt from the U.S. Postal Service, clearly showing that the documents were submitted in express mail on October 11, 2001. Also submitted herewith is a copy of the express mail log of the firm of the undersigned, showing that this application was included in the October 11, 2001 log under the express mail number in the certificate.

2

The Patent and Trademark Office has identified the filing date as October 12, 2001. That is clearly incorrect, and it is requested that the proper filing date of October 11, 2001 be awarded to this application.

November 8, 2001

Respectfully submitted,
